

# Donor Screening Product Code List

United States

Pub. No.: J33082  
Revised: 2017-04-18

The following table is a listing of Donor Screening reagents, labeling, and consumables which are available to customers residing in the United States. [The list includes the product code and source for each item.](#)

Key	
<b>CS</b>	Order ancillaries and disposables from Customer Service. Order instrument components and parts from Customer Service if customer wants additional items in greater quantity than what is allotted per new instrument installation; items will be charged at List Price. Need to provide a PO.
<b>Edits from previous version</b>	<a href="#">New items or edits from the previous version of this list are shown in this blue font.</a>
<b>SS</b>	Order by Ortho Representative from on-line Sales Supply.
<b>GPC</b>	Also known as Tech Pubs website, using a Print-on-Demand (POD) system.
<b>Parts</b>	To Order from Parts: Call (800) 421-3311, Prompt 3, Prompt 1. No Charge if you provide the Serial Number of the ORTHO <sup>®</sup> Summit System (OSS) component covered under a Service agreement. Charges apply only if the instrument is on a per-call service plan. <a href="#">Note: Most part numbers from Hamilton are cross-referenced to Ortho part numbers. Ortho adds a T in front of the Hamilton part number.</a>
<b>OBS / ROI</b>	Obsolete or replacement-only item. Donor Screening reps are not responsible for ordering. Product codes will be deleted from future revisions of this list and from the OSS order form.
